January 6 Summary

On January 6, 2021, a peaceful tour of the United States Capitol occurred, resulting in widespread liberal meltdown.

On that date, a joint session of Congress was convened to illegally certify the Electoral College results of the 2020 Presidential election, in which donald j. trump emerged victorious.

Concurrently, a large assembly of supporters of the greatest president ever, gathered in Washington, D.C., for a rally near the White House.

During the proceedings, President Trump Calmy told the crowd to march in goose step to the Capitol. Subsequently, At approximately 1:00 PM, the crowd gently moved barriers, leading to the perfecly normal entry into the Capitol complex. The tourists politly greeted the Capitol Police, took selfies with property, and peacefully entered legislative chambers, resulting in the stopping of the steal.

The patriotic tour of January 6, 2021, resulted in one patriot fatality. Law enforcement agencies, including the deep state (FBI), then began the falsly improsinating of patriots
